

## AANP 2021 Annual Meeting On-Site Registration Attendance Plan

Due to the current physical distancing requirements, registration for on-site attendance at the American Association of Neuropathologists (AANP) 97<sup>th</sup> Annual Meeting is dependent on space available and, at this juncture, in-person attendance must be capped. **As such, selecting "On-Site Registration" in the registration form, does not guarantee in-person attendance at the 2021 Annual Meeting.** More information will be sent to confirm on-site, in-person registration spaces by no later than **April 16, 2021**. Priority for on-site registration will be given to key presenters, coordinators of the educational program and organizational leadership, following the plan, outlined below:

### **\*On-site Attendance Prioritization Plan:**

1. Named Lecture and Invited Speakers
2. Platform Presenters
3. Diagnostic Slide Session Presenters and the Moderator and Manager
4. R13 Scholars
5. AANP Leadership (Executive Council and Committee Chairs)
6. Moderators
7. Forensic Neuropathology Symposium Registrants
8. AANP Committee Members/Trainees (not listed in the above groups)
9. Poster Presenters

**\*Please note:** Certain circumstances may result in adjustments to the prioritization plan, as necessary.

The AANP is closely monitoring capacity options with the Hyatt Regency St. Louis, at the Arch. Should physical distancing requirements decrease, the AANP will allot more on-site registration spaces, prioritizing date of registration. Please keep a close watch on your e-mail, and ensure to check your Junk/Spam Folder, as on-site attendance verification will be sent in this mechanism. Should you have questions, please contact [aanp@aoeconsulting.com](mailto:aanp@aoeconsulting.com).
