

Trainee's Guide to the 101st Annual Meeting

Wednesday, June 18

- **1:00 pm – 4:00 pm CDT:** Ancillary Meetings: With your 101st Annual Meeting registration you can choose to attend 1 ancillary meeting in person (space is limited so make sure to sign up with your registration):
 - Forensic Neuropathology Symposium
 - Molecular Neuropathology Course: Central Nervous System Tumors
 - Progress & Promise: Next Generation Brain Banking in the Modern Era

Thursday, June 19

- **7:00 am – 8:00 am:** Continental Breakfast – Great Lakes Promenade
 - Each day, make sure to grab breakfast early as it can be sparse towards the end.
- **8:00 am – 5:15 pm:** Special Course in Great Lakes Ballroom B/C
 - This year's topics include new CNS WHO entities including impact on patient care and the use of novel technologies in neuropathology.
 - 12:30 pm – 1:30 pm: Lunch on Own (see suggestions below)
- **5:30 pm – 7:30 pm:** Annual Reception in the Northstar Ballroom
 - A casual gathering for meeting attendees to socialize!
 - Make sure to register for this event beforehand to receive your free drink tickets.

Friday, June 20

- **7:00 am – 8:00 am:** Continental Breakfast – Great Lakes Promenade
- **8:00 AM – 10:00 AM:** Platforms 1 (Glial Tumors 1) and 2 (Neurodegeneration: Alzheimer's)– Great Lakes Ballroom B/C and Great Lakes A1-A3
- **10:30 AM – 11:30 AM:** Parisi Lecture (autoimmune neurology)
 - In honor of Dr. Parisi for his seminal work in neurodegenerative diseases and multiple sclerosis.
- **11:30 AM – 12:00 PM:** Meritorious Award Presentations
- **12:00 PM – 1:00 PM:** Business Meeting (Box Lunch Provided)
 - If you're an AANP member, join us for the Annual Business Meeting.
 - This is a great opportunity to learn about AANP committees.
- **12:00 PM – 1:30 PM:** Lunch on Own
 - If you're not attending the Annual Business Meeting, use this time to grab lunch.
- **1:30 PM – 3:30 PM:** Platforms 3 (Glial Tumors 2) and 4 (Neurodegenerative: Alzheimer, Other)– Great Lakes Ballroom B/C and Great Lakes A1-A3
- **3:30 PM – 4:30 PM:** Poster Viewing – Boundary Waters Ballroom
 - A great place to see work by other trainees and discuss research topics and interesting cases.
- **4:30 PM – 5:30 PM:** DeArmond Lecture (memory engrams in the brain)
 - In honor of Dr. DeArmond for his leading work on prion diseases and to honor advances in neurodegeneration and aging.
- **Evening:** This is a great evening to explore Minneapolis!

Saturday, June 21

- **7:00 am – 8:00 am:** Continental Breakfast – Great Lakes Promenade
- **8:00 AM – 10:00 AM:** Platforms 5 (Nonglial Tumors) and 6 (Neurodegenerative: FTL/D/Lewy body/Parkinson, Vascular, Trauma)– Great Lakes Ballroom B/C and Great Lakes A1-A3
- **10:30 AM – 11:30 AM:** Korey Lecture – Great Lakes Ballroom B/C (proteinopathy classification in neurodegeneration)
 - In honor of Dr. Korey for an active member of AANP who has “done it all” – excellent diagnostic, teaching, and research work.
- **11:30 AM – 2:00 PM**
 - Be sure to join us for the **Trainee Luncheon** from 11:45 AM – 2:00 PM in the Regency Room
- **2:00 PM – 4:00 PM:** Platforms 7 (Developmental/Pediatrics, Methodologies) and 8 (Demyelinating/Inflammatory, Peripheral Nerve/Muscle) – Great Lakes Ballroom B/C and Great Lakes A1-A3
- **4:00 PM – 5:00 PM:** Poster Viewing – Boundary Waters Ballroom
 - A great place to see work by other trainees and discuss research topics and interesting cases.
- **5:00 PM – 6:00 PM:** What Every Neuropathologists Needs to Know – Great Lakes Ballroom B/C
 - High yield 30-minute talks
 - This year’s topics: business of neuropathology and brain malformations in the genomic era
- **6:00 pm – 8:00 pm:** Dinner on Own
- **8:00 PM – 11:00 PM:** Diagnostic Slide Session – Great Lakes Ballroom B/C
 - An interactive evening discussing challenging unknown cases.
 - Cases can be previewed here: <https://neuro2.pathology.pitt.edu/dss/current>

Sunday, June 22

- **7:00 am – 8:00 am:** Continental Breakfast – Great Lakes Promenade
- **8:00 AM – 11:45 AM:** Presidential Symposium – Great Lakes Ballroom B/C
